

Camp Tech-Mada

Science Camp '08

August 20-28

Boys & Girls
Grades 5-9

Knowledge

Is **POWER!**

Experience the fun side of science at **Camp Tech-Mada**, a stimulating “week plus” day camp for yeshiva boys and girls in grades 5-9 run by the science faculty of Torah Academy of Bergen County.* A varied program with something for everyone: **computers, physics, bio, chemistry** and **astronomy**.

NEW! End of August session in 2008 with an expanded age group - reserve early!

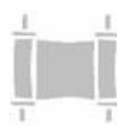

Campers enjoy a fun-filled 7 days of science – the highpoint of their summer vacation that they’ll be talking about all year:

- Hands-on experiments run by expert faculty and staff
- Day/evening trips, indoor and outdoor programs
- Newly renovated, modern labs
- Competitions and great prizes!

Includes breakfast, mid-day snacks, and first and last day lunch. All fees capped up-front. Hours are 9:30 to 3:30. Reserve your spot today, space is limited.

“I guarantee that your son or daughter will love it! They have lots of fun with science. They even have cool field trips.” – Max, 2005-2007 charter camper

Held at:*

Torah Academy
of Bergen County

* Privately run camp not affiliated with TABC.
